

Daniel Retreat Center

General Description

New in 2002, this retreat facility contains 5 rooms that house up to 6 or 8 people each. One bed in each room has a bunk with a double bed on the bottom. All other beds are wooden bunk beds. Community bathrooms with showers, a kitchen, and a small game room are all included and on the same lower level. The rooms include air conditioning, heat, electricity, a window, and carpeting. Linens are **not** provided.

Meeting Room

The Den sits adjacent to the kitchen and serves as a dining and meeting area. It overlooks Lake Muncie and has a capacity of 60. If desired, it can be divided into two rooms with an accordion divider. It includes air conditioning, heat, electricity, fireplace, chairs, and tables.
