

# Lodge Dormitory

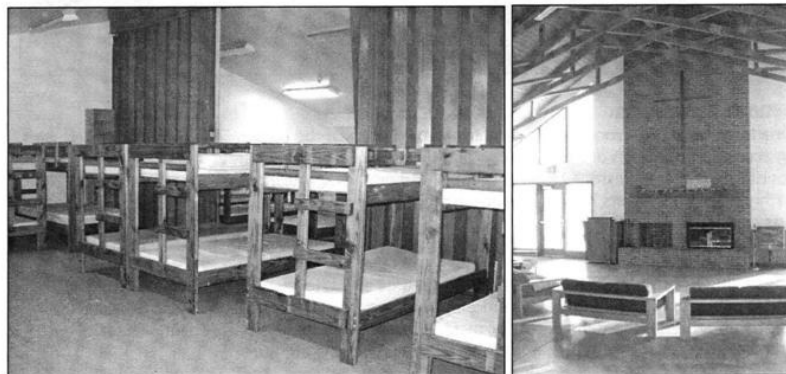

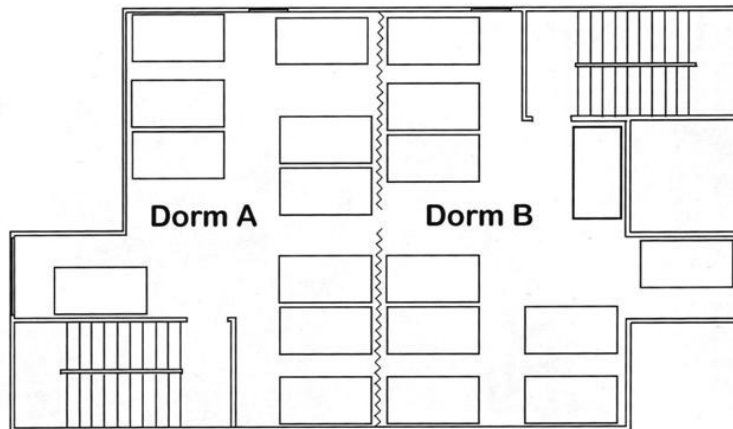

## General Description

One large dormitory room in the upstairs, eastern wing of the Lodge. The room is divided with an accordion, wooden door. Ten wooden, bunk pairs are on each side. Includes air conditioning, heat, electricity, and carpeting. Downstairs, participants share a community bathroom with showers and a game room with ping pong, foosball, and air hockey. Linens are **not** provided.

## Meeting Room

The Dining Room is included with this sleeping area and is located in the center part of the Lodge overlooking beautiful Lake Muncie. It has a meeting capacity of 50. The other half of this room serves as the dining area for meals. It includes air conditioning, heat, electricity, fireplace, chairs, circular tables, and an amplifier with microphones.
